

# Energy Balancing Sprays

for humans and other animals.

Beneficial for travelers, service providers, computer users, those who are sensitive to environmental influences including sound, electricity, allergens and emotions of others.

Support for anyone who experiences stress. Assists those who work in public or group environments.

Provides energetic balance of space and self in meeting rooms, offices, homes, at the beginning or end of the day, before and after travel, medical experiences or at any time. Create sacred space where ever you are.

Non-toxic. Great for pets and children too. Can be sprayed on or around dogs, horses and other large animals, on pet beds, in carriers and in the environments of all animals. Safe to use in the environment, around cages, in carriers or lightly on bedding of smaller animals. Avoid spraying in anyone's eyes.

Made in harmony with Nature. The four seasons sprays assist during any personal or planetary change and cycle. Annually updated, each can be used in any season.

Energetically enhanced with Reiki and blessed in the spirit of well-being.
